## **OBJECTIVE**

I am a proven professional with an extensive background in the Security/Protection Industry. In the twenty plus years in the Industry, I have protected High Net Worth CEO's, Royal Families, High Level Executives, Celebrities, and Classified Government Entities throughout the Middle East. I'm easily adaptive to whatever environment presents it self, making me an ideal candidate for your organization.

## **STRENGTHS**

- Honest, highly motivated, and dependable.
- Extensive management, leadership and training experience.
- Excellent written and verbal communication skills.
- Proven track record for being able to get the job done.

## **PROFFESIONAL EXPERIENCE**

### **2001 to Present**

#### **Independent Contractor, Worldwide**

Security Consultant, Working as an Independent Contractor has given me opportunities to work contracts worldwide from volatile areas throughout the Middle East & Africa to working with Fortune 100 Companies protecting high level executives and CEO's.

### **2010 to 2011**

#### **SOC (B.E.S.F. Guard Force), Uganda/Jordan**

TCN Recruiting & Training Coordinator, I was tasked with startup of fresh recruiting operations in Uganda, I created two recruiting stations partnered with the 2 largest external security entities in the country where we medically screened, processed for Clearance with D.O.S., and completed all new hire paperwork and briefing for deployment to training. Once the thousands of names needed were 'In Process' I returned to Amman to create a camp within a camp on an existing facility. We constructed D.S. compliant barracks, chow hall, ablutions, classrooms and ranges for use. At the end of my assignment I delivered a turnkey training solution for qualifying students to D.S. Standard for W.P.P.S. guard force.

### **2016 to 2016**

#### **USIS (DOD/CTSOFF), Baghdad Iraq**

Lead Instructor, I served as Lead Instructor of a Multi-national Force in High Risk Environment courses for USIS (CDP), and was tasked with conducting the training for Protection Details of the Iraqi President, PM and VP at the Center for Dignitary Protection in Baghdad, Iraq. I instructed in a variety of high-risk environment courses such as: PSD, Weapons, Site Security and Diplomatic Security, and Driving Operations for company-sized training

cycles (150 Students per cycle). Responsibilities also included Site Security and Vulnerability Assessments, and Logistics Management while continuing to develop existing periods of instruction.

**2003 to 2004**

**MVM, Israel/Palestine/Iraq**  
High Risk Protection Specialist. During my employment with MVM, I was tasked with high threat mobile security duties for classified clients across the Middle East. I was responsible for conducting operations in all phases of Close Protection in a non-permissive environment. Responsibilities also included acting as a High Threat Close Protection Agent, Risk Management and Assessment, Site Advances and Route Planning, and coordinating with local authorities and military commanders

**1993 to 1997**

**United States Marine Corps, Camp Lejeune, North Carolina**  
0311/Rifleman. In this capacity, I was assigned squad as an Infantry Squad & Fire Team Leader. I was tasked with training in numerous ambushes, assaults, various combat patrols, security patrols, and site security. Required skills include proficiency in small unit tactics and an extensive knowledge of infantry small arms and heavy weapons.
